

Folding LED traffic cone, reflective and flashing, pro-version

Retroreflective folding traffic cone with integrated lighting. Better visibility in the dark thanks to the processing of retroreflective materials on the entire surface. This version is designed for use on busy roads or highways and is also suitable for firefighters.

Features:

Ideal for car breakdowns and for marking cordoned-off areas and danger areas

Visible from all directions (360°)

Compact and easy to stow away, fits in any boot and beneath car seats

Greater stability because of moulded rubber base

Reflective all over, visible from a long distance (more than 300 m)

With integrated, powerful flashing lights for better visibility in the dark or in diffused light

Battery service life more than 300 hours (2 x AAA)

Scope of delivery: n. 2 batteries AAA, Carrying bag in PVC

Available in two heights::

- H. 50 cm | dim. (L x P x H): 28 x 28 x 6 cm. | weight: 1,80 Kg. | **Cod. 20.0402.012**
- H. 75 cm | dim. (L x P x H): 39 x 39 x 6 cm. | weight: 3,20 Kg. | **Cod. 20.0402.011**
