

Fire-fighting Helmet Torch ATEX “ZONE 0/20” L-30

The revolutionary helmet torch.

Lighter, smaller and more powerful than its predecessor, the rechargeable helmet torch L-30 is the firefighter's indispensable work tool. It incorporates a dual light system (main beam and step light) and two red LED beacons, making it the safest on the market. It is certified ATEX zone 0/20 for use in explosive atmospheres.

- Power LedEngine optic, with a powerful high penetration in smoke spot light and long range
- RED LED: 2 rear flashing beacons for positioning
- Step Lighting System: a light beam projected directly into the ground to illuminate your path
- BOOSTER function: maximum power and penetration
- Indication of the light duration and the battery level
- Low battery warning
- Reflective bands
- Chargers for 1, 2, 3, 4 or 5 torches
- Compatible with ADALIT L-10 chargers
- Firefighting helmet attachment included

Features:
